VALZER ROMANTICO 15 - 16

Il Valzer è una danza in tre tempi nata intorno al 1800 da una danza montanara dei contadini della Baviera e del Tirolo. Fin dal 1800, Vienna tributò grande successo a questo genere musicale che interpretava fedelmente la sua mondanità grazie al suo carattere fluente, alla musica orecchiabile ed al fatto che, per la prima volta, le coppie ballavano abbracciate anziché staccate.
